

TRUTH ABOUT JUSTICE – 2 YEARS 4 MONTHS

Why can't we celebrate the good?

- **Deficits gone, economy booming with no new taxes and tax cuts**
- **Roads, roads, roads**
 - o **\$3 billion Roads to Prosperity bond referendum**
 - o **Currently, massive secondary road repairs in progress**
- **Justice's all-out attack on drugs**
 - o **Jim's Dream**
 - o **Opioid Reduction Act**
 - o **Pilot Treatment Programs**
 - o **and more has to be done to stop this drug scourge from cannibalizing our state**
- **Education reform that's already been done:**
 - o **Got rid of A-F testing of our schools**
 - o **Eliminated ridiculous testing of our students**
 - o **Put more control to counties out of Charleston**
 - o **Mandatory Computer Science instruction**
- **Education reform that we should do**
 - o **Pay incentives for math and science teachers**
 - o **Expand Mountaineer Challenge Academy**
 - o **Additional counselors and nurses in schools**
 - o **School aid formula changes (including minimum 1,400 student formula)**
- **Free College**
- **Social security tax exemption**
- **Tourism booming**
- **State Park improvements**
- **Coal miners back to work**
- **State employees biggest pay raise ever last two years**
- **Restored integrity to our Supreme Court.**
- **Veterans retirement exemption (and should do more)**
- **\$8 E-ZPass**
- **Cut regulations**
- **Cut taxes**
- **Significantly increased Communities In Schools Program**
- **Major broadband expansion**
- **Significant improvements to corrections and State Police**
- **Instrumental in passing Amendment 1**
- **Signed every bill relating to gun rights that came to my desk**

Everything is about the economy.

Our economy is booming, 4.2% unemployment. 15-20k great jobs that can't be filled. Surplus after surplus.

Considering all the above, I don't know how we could have done much better...

The job is not done, there's more and more to do
